

Dinah Zike Foldables® Seminars 2010

We invite you to visit our unique professional learning facility located in the beautiful and historic Texas Hill Country town of Comfort. Our Foldables® world will motivate you to use this effective learning tool in your classroom!!!

What are the seminars?

These three-hour presentations are designed to enhance teaching by implementing Foldables® (3-D graphic organizers that divide data, concepts, ideas or skills and make them visual or graphic with a kinesthetic integration) into a curriculum.

Our seminars give teachers a fresh look at interactive notebooks, TAKS test prep for ELA and math, SAT/ACT test prep, classroom organization, and strategies for teaching ESL/ELL, science and social studies using manipulatives.

Where are the seminars?

The seminars are held at the Dinah Zike Building at 609 7th Street on the second floor. Comfort is located in the Texas Hill Country off Interstate 10W. We are approximately 15 miles from Boerne, 20 miles from Kerrville, and 30 miles from San Antonio.

When are the seminars held?

Seminars are held on Saturdays from 10:00 am to 1:00 pm to ensure no missed school and easy travel time for teachers from all area schools and districts.

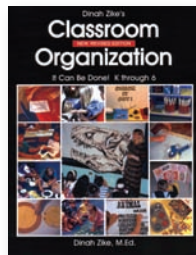

How much do the seminars cost?

Seminars include 2 1/2 hours of direct classroom instruction from a certified Dinah Zike trainer, free materials including a Dinah Zike book, and a delicious lunch. The price is \$200.00 per person, but we do offer early bird and small group discounts. Please see our website for details at www.dinah.com.

For any other inquiries or questions, please contact:

Sara Potter at sara@dinah.com or call her at 830-995-3800, ext.23.

Classroom Organization

Using Dinah's *Classroom Organization* book as a guide (included with session), this seminar will inspire teachers with practical ideas and techniques to use in the classroom.
